

NINER UNIVERSITY ELEMENTARY TITLE I FAMILY ENGAGEMENT

Niner University Elementary (NUE) recognizes the value of family engagement in a child's academic success and believes that the education of children is an ongoing cooperative partnership between the home and the school. NUE officials shall strive to support parents and provide parents and family members with meaningful opportunities to become involved in the programs offered by the Title I schools. NUE encourages parents and family members to participate in the design and implementation of the programs and activities in order to increase the effectiveness of the school's Title I program in helping students meet state and local achievement standards.

A. Definition of Parent and Family Engagement

For the purposes of this policy, the term "parent and family engagement" means the participation of parents, guardians, and other family members in regular, two-way, and meaningful communication involving student learning and other school activities, including ensuring the following:

1. that parents and family members play an integral role in assisting their child's learning;
2. that parents and family members are encouraged to be actively involved in their child's education at school;
3. that parents are full partners in their child's education and parents and family members are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and
4. that the school utilizes activities to support parent and family engagement in the Title I programs.

B. Purpose and Operation of Title I Program

The Title I program is a federally supported program that offers assistance to educationally and economically disadvantaged children to help ensure they receive an equitable, high-quality, well-rounded education and meet the school's challenging academic standards. The Title I program provides instructional activities and supportive services to eligible students over and above those provided by the regular school program. The program shall be based on effective means of improving student achievement and shall include evidence-based strategies to support parent and family engagement.

C. Annual Meeting and Program Evaluation

Each year, school officials must invite parents of students participating in Title I programs to a meeting to explain parental rights, discuss the programs and

activities to be provided with Title I funds, and solicit input on the Title I program and this policy. In addition, school officials must provide parents and family members a meaningful opportunity annually to evaluate the content and effectiveness of the Title I programs and the parent and family engagement policies and plans. Information collected from these proceedings will be used to revise Title I programs and parent and family engagement plans.

D. Parent and Family Engagement Efforts

NUE believes that the involvement of Title I parents and family members in the design and implementation of the Title I program will increase the effectiveness of the program and contribute significantly to the success of the children. The Title I staff and all school personnel shall strive to conduct outreach to parents and family members and involve them in activities throughout the school year.

The principal shall ensure that this parent and family engagement policy is developed with, agreed upon with, and annually distributed to parents and family members of participating students. In addition, school officials and Title I school personnel shall do the following:

1. involve parents and family members in the joint development of the Title I program and school support and improvement plan and the process of school review and improvement;
2. coordinate and integrate parent and family engagement strategies in the Title I program to the extent feasible and appropriate with parental engagement strategies established in other federal, state, and local laws and programs;
3. with the meaningful involvement of parents, conduct an annual evaluation of the content and effectiveness of the parent and family engagement policies and program in improving the academic quality of the school and assisting students to meet the school's academic standards;
4. strive to eliminate barriers to parental participation by assisting parents who have disabilities and parents who are economically disadvantaged, have limited English proficiency, are migratory, or have other backgrounds or characteristics that may affect participation;
5. provide outreach and assistance to parents and family members of children who are participating in Title I programs in understanding the state's testing standards, the assessments used, Title I requirements, and all national, state, and local standards and expectations through such efforts as community-based meetings, posting information on school websites, sending information home, newsletters, workshops, and newspaper articles;

6. design a parent–student–school staff compact that sets out respective responsibilities in striving to raise student achievement and explains how an effective home/school partnership will be developed and maintained;
7. with the assistance of parents, ensure that teachers, specialized instructional support personnel, principals, and other staff are educated in the value of parents as partners in the educational process and understand how to work with, communicate with, and reach out to parents as equal partners in education;
8. distribute to parents information on expected student proficiency levels for their child and the school’s academic performance, and provide materials and training to help parents monitor their child’s progress and work with educators to improve achievement through such methods as literacy training or using technology, which may include education about the harms of copyright piracy;
9. coordinate and integrate, to the extent feasible and appropriate, parental involvement programs and activities with federal, state, and local programs, including public preschool programs, and conduct other activities in the community that encourage and support parents to more fully participate in the education of their child;
10. ensure that parents are involved in the school’s Title I activities; and
11. provide such other reasonable support for Title I parental involvement activities as requested by parents.
