Dear Parent/Guardian,

As a parent of a student at Niner University Elementary, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers.

- Whether the NC Department of Public Instruction has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the NC Department of Public Instruction has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled and qualified.

If you would like to receive any of this information, please call the school at 980-343-0733

Sincerely,

A handwritten signature in black ink that reads "Pamela Broome".
